CONSUMERS SHOULD BE ABLE TO HAVE THEIR VEHICLE SERVICED AND REPAIRED WHEREVER THEY WANT! THIS RIGHT IS IN JEOPARDY.

- ✓ **The Right to Repair Act** protects both consumers and your neighborhood independent repair shop.
- ✓ **The Right to Repair Act** requires car companies to make the same tools and technical information available to independent repair shops that they provide to new car dealerships
- ✓ **The Right to Repair Act** protects the car companies' trade secrets and proprietary parts information.
